## PEOPLE TODAY WATCH TV IN DIFFERENT WAYS

OUR READERS TELL US ABOUT HOW THEY AND THEIR FAMILIES WATCH TV.

**1**  I usually watch TV in my room but sometimes I watch it with my family. That's good because we don't often spend a lot of time together. Also we can talk about the film or programme and sometimes have arguments! But one problem is that my family often disagrees about what they want to watch! So, in my room I can choose my own programmes.

**2**  Also today we don't need to watch live TV. When I'm out I record my favourite programme and watch it later. That way you can cut all the advertisements – which is great! My best friend watches TV online. She says it's better because she can watch anything at any time! But she gets the adverts!

**3**  My brother never watches much TV because he spends all his time checking different channels. He watches for a few minutes and then gets bored and looks for another programme! In the end he never watches a complete programme.

**4**  My dad doesn't have much time to watch TV during the week so he gets DVDs of all his favourite programmes. Then at the weekend he watches about four hours of shows like *Downton Abbey*! They say teenagers get 'square eyes' but in our family it's my dad.

**1** Read the text. Match paragraphs 1–4 with headings a–e. There is one extra heading.

- b A new way to watch TV
- c Marathon TV
- d Too much choice?
- e With others or alone?
