This is Peter and Pepper. They are going to summer camp
with their friends. They are going on a spaceship ...

Their summer camp is on the moon!

Look! There's the moon!

It's very big!

Yes, it is!

This is Captain Cloud. He flies Galactic Airways to the moon every day. He looks out the window and he sees three green aliens. They are jumping and shouting!

Who are they?

Help!

Suddenly, Captain Cloud cannot control the spaceship! The spaceship starts to make a terrible noise. They are flying much faster than before. It is very loud and noisy.

Peter and Pepper and their friends are afraid!

What's happening?

I'm scared!

The spaceship stops. Where are they?

Where are we?
I don't like this.

I don't know. Don't be scared.

Peter and Pepper look out of the window.
They are surprised. This is not the moon!

Oh, look at them!

Captain Cloud goes outside and Peter and Pepper follow him. They see three green aliens. They look very different to the people on Earth. They have four eyes and four long arms.

Peter and Pepper do not know what to do. Peter is very afraid but Pepper is not. Their friends are also scared but the aliens are friendly.

The aliens do not want to hurt the children. The aliens need their help. There is a big meteor and it is coming to Space Island. The children have to save Space Island!
